

HOUSEHOLD HAZARDOUS WASTE COLLECTION PROGRAM

A community service provided by the City of Coronado

Saturdays 10:00 a.m. to 2:00 p.m.

(see Holiday Schedule)

1001 Sixth Street

This program is available to Coronado residents ONLY. No business or contractor generated waste is permitted.

Put toxic waste in its place!!

Household products containing toxic chemicals become hazardous waste when you decide to dispose of them. Never throw hazardous products in the trash, as the toxic chemicals may harm the environment and sanitation workers, and start fires in trash trucks. Never pour hazardous products into a sink or storm drain; it is dangerous and they will end up in our environment polluting the air, water and soil. The City of Coronado's Household Hazardous Waste (HHW) program is available so that all residents in the community can safely dispose of their toxic, hazardous waste. The City also offers curbside pick-up of used oil to residents who are unable to use the HHW program (please refer to the blue highlighted section at the bottom of the next page).

How to transport

Leave all products in their original containers. Do NOT consolidate them. Make sure the containers are properly sealed and will not leak. Put the containers in the trunk or back of your vehicle, away from passengers. Do NOT transport more than 15 gallons of liquid or 125 lbs. of solids at one time.

Examples of what you MAY bring

Aerosols ~ Household Cleaners ~ Disinfectants ~ Drain Opener ~ Mothballs ~ Herbicides ~ Pesticides ~ Rodent Poison ~ Paint ~ Paint Thinner ~ Varnish ~ Glues ~ Turpentine ~ Barbecue Lighter Fluid ~ Batteries ~ Electronic Waste (Computer Monitors, TVs, etc.) ~ Automobile Fluids (Waste Oil, Gasoline, Anti-Freeze, Brake Fluid, etc.) ~ Pool Chemicals ~ Water Seal ~ Appliances ~ Light Bulbs ~ Pharmaceuticals ~ Sharps (needles/syringes MUST be in a sharps container or they will NOT be accepted) ~ All Products Marked: DANGER, WARNING, TOXIC, CAUTION, POISON, FLAMMABLE, CORROSIVE, or REACTIVE

Do NOT bring

Do NOT bring Bio-Hazardous (red bag) Waste, Controlled Substances, Explosives, Radioactive Materials, or Business Waste. To inquire about disposal of these items, call County HMMD at (619) 338-2231.

Collection Location

The Household Hazardous Waste facility is located in the alley adjacent to the fire station, 1001 Sixth Street. Please have your driver's license handy for residence check, and wait in your vehicle for one of the collectors to assist you.
